

Art Parties at ArtWorks!

Children ages five and up (and adults of all ages) can use their creativity to make original and unique works of art and work directly with an artist in the community. ArtWorks! provides all materials and instructions. Clay Parties are held in the ceramics studios at ArtWorks! with instructor Amy Schusser, or we can offer an art party of your choosing. **There is a minimum of eight people to run a party, and a maximum space for 15 people.**

The cost is \$15 per person. The parties are 2 hours long. The fee includes both material and instruction fees. We bill \$20 per additional half-hour for longer parties.

You can also rent a room upstairs in a clay-free environment to have cake and ice cream. This additional service costs an additional \$40 extra per hour /\$20 per half hour.
