From time to time throughout the summer ArtWorks! Cool Arts students will have the opportunity to travel on foot to sites within the New Bedford National Whaling region, or to other historic/artistic sites in the downtown area.

All trips will have sufficient chaperones and staff. As a parent or guardian, you are asked to consent for your child to participate in these activities. This form serves as a waiver and consent for travel from Artworks.

Additionally, ArtWorks! continually documents programs and events for the purpose of publicity and fundraising. This form will also act as a model release authorizing ArtWorks! to include your child in any photography or video.
